

GOVERNMENT ENGAGEMENT SPECIALIST

Project Marinus

Stakeholder & Environment Services

Objectives

The Government Engagement specialist will provide professional and efficient support and assistance to the Project Marinus Team through

- The Development and support of an intergovernmental communication strategy for Project Marinus.
- Ensuring deliverables are achieved in line with Marinus project timelines.
- Establishing effective relationships and working with stakeholders both external and within the Marinus project and across the TasNetworks business.

Role Specific Accountabilities

Providing efficient and effective strategic government engagement communication advice and support to the Project Marinus Team by:

- Development, Scheduling and coordination of engagement activity (and materials) with government departments and Ministerial offices in Tasmania and interstate.
- Critical analysis and preparation of Ministerial, board and steering committee papers, preparation of briefing materials in support of government forums and attendance as directed.
- Provision of expert advice and guidance to the project on best practice government communication and engagement methods.
- Evaluate and provide regular reporting on the effectiveness of communication and government engagement activities with recommendations for improvement.
- Monitor and measure achievement of performance and behavioural objectives through regular discussions with immediate leader, proactively seeking feedback and support to ensure expectations are met.
- Support effective engagement with energy sector regulatory bodies, customer councils, consumer forums and other industry groups.
- Any other duty or task as reasonably and lawfully directed by TasNetworks.

TasNetworks
Delivering your power
