

Position Description

Powering a
Bright Future

Strategy Specialist

Digital, Strategy and Customer

Strategy and Planning

Objectives

- Drive and support the overarching strategic direction for TasNetworks
- Deliver strategic and business planning support for each TasNetworks business unit/function
- Help grow our people's understanding of strategy, planning, and performance, and how their roles contribute to TasNetworks' success
- Provide meaningful insights from strategic and operational performance analysis to support business decision-making
- Deliver our annual corporate planning obligations in accordance with shareholder guidelines and expectations

Role Specific Accountabilities

- Contribute to and support the annual strategic planning cycle, including research, analysis, and preparation of materials for Board strategy days and senior leaders' workshops
- Deliver high quality analysis and recommendations that inform the company strategy and business unit-specific strategic priorities and enterprise focus areas
- Prepare insights on topics of strategic importance to the business and provide ad-hoc analysis and challenge on performance outcomes
- Lead the business units' business planning cycle to support delivering the company strategy, the corporate plan, and achieving KPIs, including working with business unit and function leaders and their teams
- Produce comprehensive strategic performance reports for business unit leaders
- Coordinate and drive the timely delivery of the annual Corporate Plan and associated strategic activities
- Provide ad hoc financial modelling and business case development, as required
- Any other duty or task as reasonably and lawfully directed by TasNetworks

TasNetworks and **you.**

To be successful in this role

- Tertiary qualification in Business/Commerce/Economics or significant experience at a high level in a similar role
 - Demonstrate our core competencies, which are central to all positions at TasNetworks
 - Strategic planning experience with a track record in contributing to and supporting business performance frameworks
 - Experience in monitoring the internal and external operating environments to inform and develop business strategy
 - Strong commercial acumen and financial modelling skills
 - Experience in performance metric practices, including monitoring and developing insights to inform management decisions and underpin organisational success
 - Ability to build and maintain effective partnerships across the business and with key external stakeholders to deliver results
 - Strong organisation and time management skills to manage concurrent and competing priorities
 - Ability to successfully manage change in a complex, diverse, and challenging environment
-

Compliance Requirements

- A satisfactory National Police Record check to confirm eligibility for the role
