

Position Description

Powering a
Bright Future

Senior Financial Analyst

Finance and Regulation

Corporate Finance

Objectives

- Elevate commercial expertise by developing the team's proficiency in financial modelling. This includes providing valuable commercial and financial insights that improve reporting and decision-making processes.
- Enhance financial modelling capability through adding to the team's expertise in corporate and financial modelling to support strategic decision-making.
- Support key processes managed through the team. This relates primarily to treasury and debt management and the Investment Governance Committee.

Role Specific Accountabilities

- Develop and maintain a long-term financial model, utilised to assess future investment risks and opportunities, capital structure and returns to government
- Develop and use best practice financial models to support key business initiatives and decisions including investment evaluation
- Assist with technical aspects of the drafting and preparation of detailed reports and submissions, particularly the corporate plan and other major investments.
- Collaborate with peers and leaders across the business to develop trusted relationships, increase financial and commercial acumen, drive enterprise-wide thinking and problem solving and have a solutions focus
- Provide support to the Treasury function, within the Corporate Finance team, as required.
- Work collaboratively with the broader Finance team and support achievement of our goals and objectives
- Any other duty or task as reasonably and lawfully directed by TasNetworks

TasNetworks and **you.**

To be successful in this role

- Demonstrate our Core Capabilities, which are central to all positions at TasNetworks.
- Qualification in business, commerce, accounting or equivalent, or other related professional competence and a demonstrated period of suitable experience.
- Excellent Excel skills with experience building and modifying complex financial models.
- Understanding and experience in valuation techniques related to assessing future investment opportunities.
- Strong analytical, problem solving and critical thinking skills with the ability to take data and analysis and distil it into a consumable format, providing insight to support decision making.
- Demonstrated understanding of the regulatory framework in which a TasNetworks operates and the link between business decisions and their impact on regulatory and financial outcomes.
- Ability to act autonomously to deliver team initiatives.
- Exceptional time management skills to consistently meet deadlines and deliver under pressure.
- Ability to collaborate and interact with stakeholders at all levels to achieve mutually acceptable outcomes.
- Able to demonstrate the capacity to perform the inherent requirements of the role.

Compliance Requirements

- A satisfactory National Police Record check to confirm eligibility for the role
